Instrumental Music Lessons at BISP

Dear Parent/Guardian,

Welcome to Term 1 and another exciting year for Music at BISP. Thank you for your interest in instrumental music lessons at BISP. Please see below for some further details.

- Please complete the [lesson request form](#) as soon as possible
- Please make it clear who your son or daughter's current BISP instrumental teacher is (if they have already been taking lessons at BISP).
- If your son or daughter plays several instruments please complete the [lesson request form](#) for each instrument.
- Teachers will schedule lessons to begin in week 3 of Term 1 (2nd September).
- **Please note, a half term's notice is required to stop lessons** and lessons will be invoiced in advance.
- Parents will not be charged for lessons missed due to school events or absence due to ill health as long as teachers are informed as soon as possible. Please inform the relevant teacher **BY THE TEACHER'S SCHOOL EMAIL** if your son or daughter is going to be absent. Please do not use social media to contact the teachers.
- Pupils can have a maximum of 2 make-up lessons at the end of each term.
- Secondary students have the option to take lessons before school, at break time, lunchtime or after school, as these students are not permitted to miss academic lessons. Primary students are offered times through negotiation with the student's class teacher.
- Private music lessons are available in: Piano / Drums / Guitar / Ukulele / Bass Guitar / Singing / Violin / Saxophone / Flute / Clarinet / Recorder / Trumpet / Trombone / Euphonium

Lesson duration and fees are as follows:

1x 30 minute individual lesson per week (cost per instrumental lesson = 800 Baht)

Term 1 Fee: 9,600 Baht (12 lessons with 2 make-up lessons offered at the end of term if required)

Term 2 Fee: 8,000 Baht (10 lessons with 2 make-up lessons offered at the end of term)

Term 3 Fee: 5,600 Baht (7 lessons with 2 make-up lessons offered at the end of term)

Instrumental Syllabus:

Students can follow the Rock School instrumental syllabus for piano, guitar, singing and drums (<http://www.rockschool.co.uk>) and/or the Associated Board of the Royal Schools of Music syllabus (<http://www.abrsm.org>) for all instruments and voice. Additional charges applicable to these syllabi are

for exam material and fees. Teachers will consult directly with parents regarding examinations. In normal circumstances Rock School exams take place at the beginning of Term 3 with a visiting examiner and ABRSM exams take place twice a year with a visiting UK examiner in November and June. However, many of these exams were moved online during COVID restrictions and the option to take a graded exam in this way is still available.

Practice

To gain the most from lessons it is important that children are encouraged to practice regularly at home and that they have an appropriate instrument on which to do so. There is an enormous amount of evidence that shows the benefits of playing a musical instrument, learning to read music and ultimately playing in an ensemble!

If you are interested in your child taking lessons, please complete the [lesson request form](#). Lessons cannot begin until a form has been submitted. Should you have any questions, please do not hesitate to contact me, rreynolds@bisphuket.ac.th

With best wishes,

Rosemary Reynolds
Head of Performing Arts

Dear Parent/Guardian,

The British International School, Phuket is proud to deliver The Duke of Edinburgh's International Award

The Award

The Duke of Edinburgh's International Award is the world's leading youth achievement award, bringing together practical experiences and life skills to equip young people for life. Since it was founded in 1956 by His Royal Highness The Duke of Edinburgh (husband to Queen Elizabeth II of the United Kingdom), over eight million young people have participated in the Award in over 140 countries and territories. Schools, colleges, universities, employers, social clubs, youth organisations such as the Scouts, Girl Scouts and Girl Guides, young offenders' institutions, religious organisations, sports clubs and more all run the Award. BISP is proud to offer the Award to young people in Year 10-13.

What is involved?

The Award is voluntary, non-competitive, enjoyable and balanced, and requires effort over time. There are three levels to the Award: Bronze, Silver and Gold. Young people design their own Award programme, set their own goals and record their own progress. They choose a Service, Physical Recreation, Skills activity, go on an Adventurous Journey and, to achieve a Gold Award, take part in a residential project. The only person they compete against is themselves, by challenging their own beliefs about what they can achieve. They will be supported throughout by their award leader, but it is a self-driven process which requires the young person to self-manage and commit the required time and effort.

The award at BISP
